KÖD

G & T MENU

G&T is most often perceived as a quite simple drink, but at KöD, the many combinations of gin, tonic and garnish extend far beyond the classic drink with a slice of lemon.

We share the conviction that a good G&T fits well into all situations; Grab one before dinner with our crispy snacks, one with your favourite, grilled steak or choose one as a companion for your dessert.

THE STAR

Star of Bombay 95,-
Fever-Tree Mediterranean Tonic – Orange slice

Star of Bombay is a bold and more luxurious version of the original Bombay Sapphire. The gin is distilled slowly, resulting in a more intense flavor rich in aroma. Star of Bombay is an exceptional soft gin with a spicy taste as well as notes of fresh citrus. The rich aromas and deeper flavours are enhanced by the freshness from the orange

CIAO MALFY

Malfy Gin Rosa 110,-
Fever-Tree Aromatic Tonic - Thyme - grapefruit

Malfy Gin is an Italian gin inspired by the Amalfi Coast. The manufacturer uses traditional distillation methods, blending local botanicals with spring water from the Monviso mountain to create a truly refreshing gin. Malfy Gin Rosa is distilled with wild junipers from Tuscany while Sicilian pink grape fruit and Italian rhubarb is added.

SWEET MONTGOMERY

Monkey 47 Sloe 120,-
Fever-Tree Indian Tonic – Lemon peel

This Schwarzwald Sloe Gin is a true Monkey 47, but nevertheless quite a different one. With its lovely sweet and round taste, this gin is created for the bright summer evenings, but also functions very well in the winter, where it will warm you up, bringing your mind to the south.

MONKEY CLASS

Monkey 47 Dry 120,-
Fever-Tree Mediterranean Tonic - Rosemary - lemon peel

It seems immediately eccentric to claim that a gin has the potential to unite proud British traditions, the exotic India and the pure and the authentic Schwarzwald in Germany. Yet it is precisely this eccentricity that defines the enigmatic character of Montgomery Collins, who founded this gin.

ORANGE YOU CURIOUS?

Copenhagen Distillery - Orange Gin 105,-
Fever-Tree Mediterranean Tonic - Orange peel

This gin is inspired by the classic Orange Gin of the early 20th century. Instead of reproducing the gin of the past, Copenhagen Distillery has developed it by adding both sweet and bitter oranges. Combined with sweet prunes, spicy pepper, cardamom and juniper, this Orange Gin is a unique version of the classic spirit.

ISH & TONIC

Ceder's Crisp - Non-alcoholic..... 100,-
Fever-Tree Mediterranean Tonic - Orange slice

ISH London Botanical Spirit is an award winning Danish non-alcoholic gin. It is made with sun-dried juniper from Southern Europe, coriander seeds from Provence in France, and oranges from Italy. This gin is made with a unique technique, where the husks from chili seeds are distilled. This process creates the satisfying heat we know from alcohol. A well-known gin & tonic experience - without alcohol
